May	6/10	Low season begins: quiet, good value and dry in the north.
June	5/10	Midwinter: the shortest days, quiet cities and the first snow on the slopes.
July	5/10	Winter holidays: ski slopes full, Iguazú busy and the north dry and clear.

September	7/10	Early spring: whales at their peak, penguins returning and quiet prices.
October	8/10	Spring in full: Patagonia reopens, vines are green and the falls are pleasant.
November	9/10	The best all-round month: Patagonia open, jacarandas in bloom, wildlife everywhere.
